OUR APPROACH

EXPLORE

We will strive to . . .

- continually create innovative opportunities,
- present an exciting and balanced education,
- provide academic, cultural, emotional, and physical well-being,
- nurture both left- and right brain competencies.

We will ensure that . . .

- children take more responsibility for their own learning,
- assessment is innovative
- there is less emphasis on rote-learning
- the classroom environment is infused with modern technology, and
- lessons are enriching, project-based and child-centred.

We will emphasise the 6 Cs of . . .

- creativity,
- communication,
- critical thinking,
- collaboration,
- citizenship, and
- connectivity.

Languages

- Cambridge Global English -in contact teaching

CONNECT

Assessment

- The pass rate is 60%
- Competencies will be assessed in a variety of ways
- Projects and non-threatening tasks will be emphasised
- Formal exams will take place **ONLY** from Grade 6
- Tests and projects will take the place of formative assessments in Grade 4 and 5
- Children will be taught to study and prepare projects
- Most project preparation will be done at school

Important

- We offer uncapped internet and good Wi-Fi
- Education is a team effort between school and home
- Encourage **READING** and **PLAYING** at home after school
- Limit your child's screen time at home

School hours

- 07:50 to 14:00 (On Fridays we close at 13:00)

Communication

- Information posted on Whats App class group and Google Classroom
